

SENATE BILL SUMMARY

Prepared by the Division of Legislative Information for the Senate Bill **AS ORIGINALLY FILED**. For more detail, see Senate Bill Analyses, if available, prepared by the Senate's professional committee staff.

SB 1354 Public Records/Department of Health/ Controlled Substances Monitoring by Senator Bennett

Creates a public records exemption for information and records reported to the Department of Health (DOH), or any person or agency authorized by the DOH, under the electronic system for monitoring the dispensing of controlled substances listed in Schedules II-IV. Allows the State Surgeon General to enter into reciprocal agreements for the sharing of prescription drug monitoring information with any other state or states that have compatible prescription drug monitoring programs. Provides for future legislative review and repeal under the Open Government Sunset Review Act. (See bill for details)
